

Postal Services

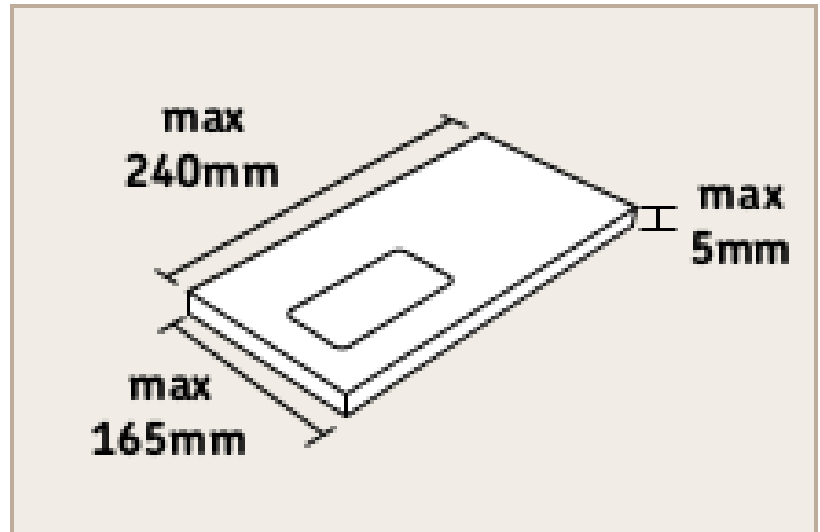

UK contract mail size guide

The diagrams below are taken from Royal Mail guides to services in Post offices but they apply equally well to our contract services, which don't differentiate between 'small parcels' and 'large parcels'.

Remember, both size and weight are used to determine which category an item belongs in.

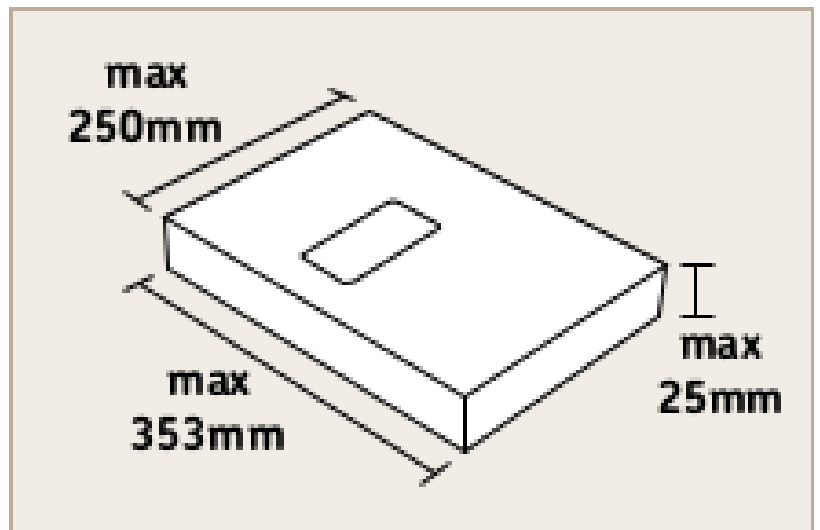

Standard Letter

Maximum weight 100g

Large letter

Maximum weight 750g

Packet

Maximum weight 1kg (2nd class)

Maximum weight 20kg (2nd class)

more cost effective services are available
